AL MAR KNIVES 2004

馬國森

SERE 2000™

(Survival-Evasion-Resistance-Escape)

The SERE 2000™ is world renowned as one of the strongest tactical folders in existence. Originally designed by Al Mar and Colonel Nick Rowe in the early 1980's for the U.S. Army's SERE school, today's updated models are stronger, lighter and the most precision versions we've ever made. Available in satin finished VG-10 (S2K) or matte black chrome (S2KB), today's SERE 2000™ features pillar construction, flow through design, dual thumbstuds and our reversible Deep Pocket Clip for discrete carry and delivers the kind of performance you need in the real world.

SERE Operator™

(Survival-Evasion-Resistance-Escape)

Our classic SERE™ design in a fixed blade version, the SERE™ Operator features S30V steel with a full-length perimeter tang for maximum strength. The SERE Operator™ has a synthetic sheath system designed for ambidextrous carry in vertical, horizontal or diagonal modes. It can be customized to be attached on a belt, pack or load-bearing equipment – or just about anywhere you can think of – even inside the waist carry for maximum concealability. The systems extender mounting plate can be easily drilled to allow the user full freedom to customize their attachment point(s). The SERE Operator™ is supplied with the sheath, attachment clip, secondary rubber retainer and extender mounting plate and is one of the most versatile sheath systems available today.

Chef Knives

Imagine all the performance of an Al Mar knife, now made for the kitchen! Our VG-2 laminated steel blades offer outstanding edge retention and incredible strength. The VG-2 stainless steel is laminated between two layers of 400 series stainless for increased strength which surpasses other kitchen knives made from single layer steels. Al Mar Chef knives are the best Kitchen cutlery you can buy. Each knife is individually gift boxed.

Ultra-Chef™ Knives

New for 2004 the "Ultra Chef" models - classic in design - state of the art in Performance. Each blade is 33 individual layers of stainless steel - 16 layers per side plus the center layer of VG-10 Cobalt stainless steel and hardened to a Rockwell of 60-62. These knives are incredibly strong, light in the hand, perfectly balanced and extremely sharp. We didn't stop there - the handles are made from select Cocobolo, long considered one of the world's most beautiful exotic hardwoods. The Ultra-Chef™ Line - arguably, the finest chef's knives made today. Each knife is individually gift boxed.

OUR LIMITED LIFETIME WARRANTY:

All new "Al Mar" models manufactured since January 1998 carry our limited lifetime warranty. This warranty covers materials and workmanship for the life of the knife. This warranty is to the original owner of the knife only. Al Mar Knives will, at our option, repair or replace any knife covered by this warranty that we have determined to be defective. The owner must return the knife with a copy of the original bill of sale or other satisfactory proof of purchase that includes the date of purchase. This limited lifetime warranty specifically does not cover abuse, neglect, misuse or lack of maintenance. Broken blade tips are specifically not covered by our warranty. A broken tip is the most common form of abuse. Any modifications and/or disassembly will void this warranty. Only authorized Al Mar Knives personnel can make warranty determinations on our products. All knives should be mailed to: AMK, PO Box 2295, Tualatin, OR 97062. Please include a description of why the knife is being returned, your return address and a daytime phone number.
