

EAGLE HEAVY DUTY™

ZDP-189

PRODUCT CODE: 5HD2T-ZL
MSRP: \$330.00

STEEL: LAMINATED
ZDP-189 Rc. 64-65
BLADE LENGTH: 4"
O.A.L.: 9"
BLADE THICKNESS: .10"
WEIGHT: 3 oz.
ACTION: Al Mar Front Lock
SCALES: "Earth"/brown G-10
CLIP: Reversible,
Black, S/S

One of our hardest working models – the Eagle Heavy Duty with Earth/brown scales has the Talon blade in laminated ZDP-189 steel. ZDP-189 is a powdered metal with a carbon content of 3% which we heat treat to 64Rc. This makes it one of the hardest, toughest, high performance steels on the market today. Its edge retention is absolutely amazing!

The Eagle Heavy Duty is built for the individual that carries the Eagle Ultralight for their "EDC" and wants a tougher version with the same features as our SERE 2000. Well here it is, the all new Eagle "HD" Heavy Duty. The "HD" weighs in at only one ounce more than the Ultralight™ version, it has skeletonized heat treated 400 series stainless steel liners, G-10 scales, adjustable action, dual thumb studs and our reversible/removable pocket clip system which attaches through the lanyard hole.

Just as the Eagle Ultralight is very easy to carry and disappears in your pocket, so does the Eagle Heavy Duty. We took the same great profile and slim design and added strength and features. The Eagle Heavy Duty - it will be your next favorite "EDC" or "Every Day Carry" knife.

O.A.L.: 7"
BLADE THICKNESS: .12"
WEIGHT: 3.5 oz.
ACTION: Liner Lock
SCALES: Textured G-10
CLIP: Reversible,
Black, S/S

The SERE 2000™ and Mini SERE 2000™ are world renown as two of the strongest tactical folders in existence. Originally designed by Al Mar and Colonel Nick Rowe in the early 1980's for the U.S. Army's SERE school, today's updated models are stronger, lighter and the most precision versions we've ever made. Available in satin finished VG-10 (S2K) or matte black with our new ceramic coating – the most corrosion and scratch resistant finish we've found. The SERE 2000™ features pillar construction, flow through design, dual thumb studs and our reversible Deep Pocket Clip for discrete carry and delivers the kind of performance you need in the real world.

S.E.R.T.™ AUTOMATIC NOMAD™ & BACKUP™

The Al Mar S.E.R.T. (Sheriff's Emergency Response Team) Automatic has machined aluminum scales and superior ergonomics providing superior grip, while the ambidextrous Deep Pocket Clip™ provides exceptional retention and comfort, remaining discreet and unobtrusive. Combined with a coil-spring action, positive safety, and textured release, the S.E.R.T.'s powerful opening keeps it's 3.3" blade where you need it: the right place at the right time. The modified clip design allows for precision work, while still providing the strength and durability needed to cut through seat belts, rope, and just about anything else!

Deep
Pocket Clip™

PRODUCT CODE: SERT
MSRP: \$240.00

STEEL: S30V Rc. 59-60
BLADE LENGTH: 3.3"
O.A.L.: 8.5"
BLADE THICKNESS: .10"
WEIGHT: 4.0 oz.
ACTION: Automatic

The Al Mar All Stainless Steel Ultra-Chef™ Knives are contemporary in design and state-of-the-art in performance. The one-piece ergonomic, hollow, all stainless steel handles are not only visually stunning and perfectly balanced, they are also impervious to just about everything found in today's kitchen environments. Each blade is 33 layers of stainless steel with the center cutting layer made of VG-10 Cobalt stainless steel which is heat treated to a Rockwell c-scale hardness of 60-62. Strong and light in weight, the All Stainless Steel Ultra-Chef™ Knives are hand sharpened to an incredible edge and each knife is individually gift-boxed.
