

ULSTER KNIFE COMPANY INC.

Manufacturers of Fine Pocket Cutlery Since 1876

All of the ULSTER pocket knives shown on this page have the following quality features:

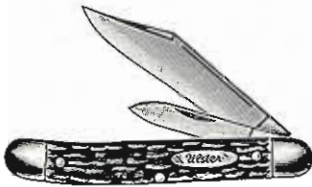

Blades are of high carbon cutlery steel, electronically hardened and tempered for lasting toughness; they are mirror polished, and hand-edged for lasting sharpness.

Handles, except where otherwise indicated, are new genuine BONITE, handsome in appearance, indestructible in service.

Nickel silver shields stamped ULSTER add to the appearance of those knives illustrated with shields below.

Linings are solid brass, bolsters are solid nickel silver, except where otherwise indicated.

Pattern numbers are stamped on tangs of master blades for easy identification.

UK-3D COUNTER DISPLAY

GUARANTEED
TO SELL MORE ULSTER POCKET KNIVES

Made in the U.S.A.
by skilled American craftsmen

A solid hardwood, gray enameled counter display case with a clear glass front and removable panel.

SHOW KNIVES WITH ALL BLADES OPEN USING
OUR "KLIPON" HOLDERS!

INSTRUCTIONS TO SET UP UK-3D COUNTER DISPLAY

1. Mount 1 each of 6 patterns on the patented Klipon holders WITH ALL BLADES OPEN. Illustration shows how the panel should look with the knives and price stickers in proper position.
2. The knife number is stamped on the tang of the large blade, that portion closest to the handle.
3. The pre-priced pressure sensitive labels included in each case can be removed from the glassine paper for easy application.
4. The reverse side of this page illustrates and describes all of the best selling patterns of the Ulster line.
5. The case can be secured to the counter with wood screws or a mastic.
